FLOOR DEBATE

March 23, 2004 LB 869, 1083A

Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, this is an A bill. I want the "A" to stand for "accolades." The other day, I was miffed when my colleagues gushed about that Pacific Insurance Company. I listened today while my colleagues praised "Saint" Jensen. And in order to show that I can get into the spirit of things, I want to offer a few thank-yous. First, I want to thank Mel Gibson for his Passion. I want to thank Ms. Janet Jackson for bringing pulchritude from the boudoir and bringing decency to the airwaves. Finally, I want to thank Britney Spears for...well, just for being Britney. (Laughter) Thank you.

SENATOR CUDABACK: Thank you, Senator Chambers. Any further discussion? There are no lights on. The question before the body is advancement of LB...did you close, Senator Jensen? Did you wish to close after that? (Laugh) He waives closing. I apologize for that statement. The question before the body is the advancement of LB 1083A to E & R Initial. All in favor vote aye, opposed nay. Have you all voted who care to? Record please, Mr. Clerk.
